

SAINT ALBERT the GREAT SCHOOL
TUITION INFORMATION AND RATES 2011-2012 SCHOOL YEAR

Our school is heavily funded by our Parish General Fund (Sunday collection). Therefore, only registered families qualify for the parish rate, which is reduced from the full actual cost to educate your child. It is expected that parish families with children attending St. Albert the Great School be active, contributing members of the church and participate in the spiritual and academic life of the parish and school. It is also an expectation that parents monetarily support the parish. Parish families are asked to contribute a minimum of \$400 per year. Your Sunday contributions help us keep our school funded and viable since a minimum of \$500,000 – and, usually more, of the parish income directly underwrites the school thereby keeping tuition at the lower listed rate rather than actual cost to educate your child.

Inability to contribute time, talent or financially to the parish will not disqualify a parish child from attending our school, however, families must call the pastor to discuss this matter privately. A fund is available for those in this circumstance.
