Dear Parishioners

To call these “interesting times” would certainly be an understatement.

We’ve seen a pandemic, protests against racial injustice and add to that – it’s an election year. Emotions seem to be running high.

In March, the Church even closed its doors to the public for 10 weeks.

While we continued to celebrate and stream our Masses every day, I know that our people really missed the opportunity to come to Church and receive the Blessed Sacrament. Some are still unable to safely come to Church and still long for the Blessed Sacrament. This is why we have been praying the prayer for Spiritual Communion at every Mass.

In spite of the smaller numbers at Mass, our collections have only seen a small decline. Not only have our parishioners continued to step up and contribute, many have signed up for on-line giving during this time of pandemic. **What a great witness!**

While we ran a deficit last year, some of this was off set through generous bequests. In addition, we continue to maintain the physical plant. Last summer we completed a major capital project by replacing the entire heating system in the school.

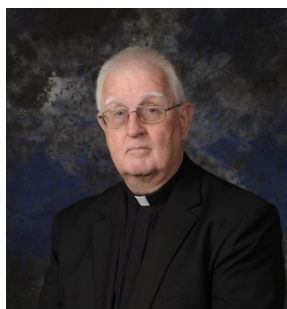

None of this would be possible if it weren’t for the good people of St. Albert who continue to share their gifts even in the midst of these difficult times.

Once upon a time, there was a parishioner who said to their pastor:
*“I know that we are supposed to tithe, but I’m confused about something.
 Am I supposed to tithe off of my gross pay or net pay – that is after taxes.”*
 The pastor responded: “That depends. Do you want God’s blessings before or after taxes?”

You have given much of yourselves during these “taxing” times and I am grateful.
 I am grateful for how you have blessed St. Albert. I pray that God blesses you 10 fold.

In Christ,

Fr Chris Worland

COMMUNITY LIFE

EVIE FREIMUTH

"All are welcome"! Thirty three years ago we joined St. Albert the Great parish. We have sincerely felt welcomed and blessed to be part of such a kind and loving community. St Albert the Great has truly been our home away from home."

JENN GOBRAIL

"We are so grateful to be part of the St. Albert's community. Our family has made lifelong friendships and our children have built a solid foundation of faith. We are blessed to have our youngest daughter make her First Communion here & look forward to many more celebrations."

DR. JON COYNE

"Our family has really enjoyed becoming part of The St. Albert Community. We love the family atmosphere where our kids have friends to share in their religious life. We also value the opportunities that St. Albert provides to serve others in the greater Dayton area."

NANCY NOWAK

"We have been members of Saint Albert since 1969, have been participants of many councils / boards. It has enriched our spiritual lives, supported us in our Peace Corps calling, and made us more of needs of others through St. Vincent de Paul, and other causes. We have made lifelong friends and felt the continuing prayerful support of the total community."

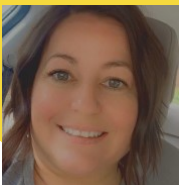

MOLLY HOWELL

"When looking for a new parish, we chose St Albert because it was warm and inviting, those we Met were friendly and it felt right for us and Our children. We looked at other schools and went to their Mass. St Albert was the right fit for us."

TOM ROHMILLER

"St. Albert has been our spiritual home for over 40 years. We have celebrated many of our family life events here from baptism through funerals. Like a family group hug, we embrace & support each other as we grow."

RENEE WOODIE

"St. Albert the Great has given me many life experiences through youth ministry, friendships, prayer and an exceptional education for both of my children."

PLACIDO MARTINEZ JR.

"I am very blessed & grateful to have landed at St. Albert the Great in Nov. 1998. I retired January 1994 at Wright-Patt AFB, after a 24 year Air Force Career. My daughter was married here at St. Albert's, so I've stayed here in Kettering. I hope to continue active service to our parish with the mercy, grace, strength and guidance of The Holy Trinity."

JOE AND GINNY WADE

"We were married here 57 years ago by Msgr. Rolfs. Our children were baptized here, went to school here, and were also married here. We have enjoyed so many holidays and activities throughout the years. This place is home for us."

TIFFANY FRANKLIN

"The STAG community is important to me and my family because it reminds us that God is present and active in our lives and the world. We see the signs of God's love all around us here & have become instruments of God's grace in our own neighborhood, cultural community and our places of employment. We are happy to be apart of the STAG family!"

TIM SIKORA

"I like the friendly atmosphere when I go to Mass. The ushers, priests and deacons welcome you as friends. The people get to know you and come up and welcome you. It is a welcoming community."

ERIN BALDETTI

"I love St Alberts for the welcoming & giving community & the ability for lots of diverse ways to worship & grow together. I love how easy it is to get involved in activities and parties. St Alberts is where my husband and I were married and where my children go to Religious Education class. We all feel at home."

KAY MOORE

"St. Alberts has been my parish for over 65 years! I was in the very 1st First Communion class. My 3 children were baptized here. I am a Mass coordinator, distributor, and in the choir. It has been such a big part of my life!"

With Gratitude, we review our accomplishments the past fiscal year.

From Finance Council

In the past year, with your support and the support of our priests, the parish staff, and teachers and volunteers, we have been able to reasonably continue the focus on our mission and most importantly our liturgy.

Additionally, again with your support and the help of bequests, we were able to continue to make needed improvements, additions and repairs to our parish facilities:

- New cafeteria tables and chairs
- Church renovation study
- Roof and window repairs
- Parking lot purchase and related fees and repairs
- HVAC study
- New hot water compression tank
- Asbestos abatement in the Spirit Center and School
- Computer and technology upgrades
- Cameras for security system
- Storm drain repair
- Tree Removal
- New lawn mowers
- Rectory and church painting

In addition to the above, we did a complete update of the boilers and HVAC system in the school at a cost of \$652,000. The old system was becoming very unreliable and was continuing to be costly to repair. The funding will come from the capital fund in the new fiscal year. Also, we want to point out that we did receive a PPP Loan through the Care Act. As we still need to apply and receive forgiveness of the loan, the balance has remained untouched. Hopefully, we will be successful having the loan forgiven and the monies will be available for use in the future.

We continue to be thankful for your continued support of the mission of Saint Albert the Great and to be able fulfill the needs of the Parish.

Sincerely,

Parish Finance Council

1939 Legacy Society

Established in 2005, the **1939 Legacy Society** honors individuals or families who, through planned estate gifts, have made a commitment to St. Albert the Great by including the parish in their will. To learn more about the Legacy Society, contact the office at 937-293-1191.

Welcome New Parish Families

From July 2019 through June 2020, St. Albert welcomed **57** new parishioners / families into our community.

WE WORSHIP

Worshipping during Covid19

Our world changed in March of 2020. Our Lenten activities were cut short; our small faith groups were stopped, Benediction / Adoration and Stations of the Cross all stopped. Our church and school were shut down. Businesses and stores all shut down. It is times that we have never seen before. However, St. Albert the Great found ways to continue to worship and Bring Church to You.

Our Masses have always been streamed with our **StreamSpot**—and it is a good thing! Our StreamSpot rate of parishioners viewing Mass online skyrocketed. See page 8. After the Good Friday Noon Mass, Fr. Chris Worland, with the crucifix in hand, **walked the neighborhood** behind St. Albert the Great. We had over 50 volunteers be involved in our **Parishioner Outreach Project**, where we called every parishioner to ask how they were and if they had any prayer intentions. We had **Helping Hands**, where parishioner volunteers would help other vulnerable parishioners to get groceries or medicines. Fr. Chris provided a Podcast presentation for guidance to cope with Covid.

We held outside **Rosary Rallies**, with great turn outs! Both times, our parking lot was filled with cars! And we held an outside **Liturgy of the Word**, which included a blessing for any 2020 graduates. We had **Drive Up Confessions**, and **opened our Church** (limited hours) for quiet prayer.

Our Religious Education, Youth Ministry, and RCIA groups all held **virtual meetings through Zoom**, allowing for continued faith formation. Online resources were provided on our website for ideas on *Being Church at Home*. We held an **outside graduation** for our 8th graders, which included a blow up screen and slideshow.

In addition to the above, our service to others did not stop. Our Monthly Food Collection flourished with people bringing canned goods and food items. Our Meals for the Homeless did not delay with people providing casseroles and fruit / cookies for St. Vincent de Paul Shelter. Our annual Blood Drive was not postponed, with people coming out to much needed blood.

Parish Pastoral Council

As part of our goal to improve welcoming and encourage new membership, our Parish Council initiated the plan for new **Welcome Videos** for our **Parish and School**. Fr. Chris and Sherry Gabert both did great jobs in their roles for these videos. These videos were designed for our website (Parish and School homepages); however, we published them using all communication devices, such as social media and our Gathering Space TV.

Advent Holy Hour

WE WORSHIP

With seminarian Broderick Witt and Deacon Dick Strominger, we held our first (in a long time) Advent Holy Hour. This event was a collaboration of many staff members, including RE, Music, Communications, Events, Youth Ministry, and Faith Formation.

Benediction and Adoration were both a part of this Holy Hour, along with hymns and praise.

Lenten Morning of Reflection

During Lent of 2020, a Lenten Morning of Reflection was held in the Spirit Center. About 50 parishioners attended to listen to Fr. Pat Welsh and Deacon Dick Strominger talk about the Sacrament of Healing. Small group discussions were held in between the presentations.

Sensory Friendly Masses

During the fiscal year of 2019, Sensory Friendly Masses were initiated by the Archdiocese in an effort to be more inclusive with special needs. St. Albert the

Mass of Remembrance / Anointing of the Sick

In September of 2019, we celebrated the sacrament of **Anointing of the Sick**. Fr. Chris and Fr. Pat prayed with 50 parishioners for healing and strength. In November of 2019, in coordination with All Souls Day, we held our annual **Mass of Remembrance** where names of our beloved dead were read with a candle burning in memory.

Pro Life

Pro Life Group had another successful fiscal year. In October, the team put out **30 white crosses** in front of Church to represent the aborted babies. They also held a **Baby Jesus Shower**, with items being donated to Elizabeth's New Life Center. In January, they held the traditional **Pro Life Candle Sale**, with all proceeds again going to Elizabeth's New Life Center. In March, the **40 Days of Life campaign** was interrupted with the Covid19 pandemic.

The Ark of the Covenant Praesidium of the Legion of Mary

Before the pandemic, the group's usual service included taking communion on Wednesdays to the Oaks of West Kettering to Catholics over the year, and hosting Christmas Mass there, as well as **home visits** to some of our 205 Legion of Mary auxiliaries. The primary evangelization effort was organizing 23 volunteers to staff a free **Catholic Information Booth** for 12 hours a day at the Montgomery County Fair, giving away many sacramental items, such as 281 rosaries with explanations. To keep Catholics in the Church, the Legion of Mary 1) hosted a Birthday Party for Our Lady with 27 present, 2) co-hosted a Parish Coffee & Donuts with Catholic literature, 3) provided free Miraculous Medals and religious prizes at the parish picnic, as well as 4) hosting sixteen people for an eight-week Marian Consecration Study Group seminar that started February of 2020, in the Spirit Center.

Once the pandemic suspended in-person events, we continued to meet weekly by video and phone conference. Each week we wrote personal letters to the eight Catholics and two non-Catholics we had been visiting previously at the nursing home. The Marian Consecration group shifted to video conference to finish in March of 2020. We made phone calls for the parish census, phoned our auxiliaries monthly, hosted a monthly video conference for our auxiliaries, repaired rosaries, and sorted donated materials.

WE LEARN

School / Education Commission

The fiscal year of our school started out with the annual *Run with the STAGS* event, and the “**Back to School**” Coffee & Donuts with the help of PTO and Education Commission. Highlights of the fiscal year were

Fall 2019: Labor Day Parade, Harvest Hoedown (PTO)

Winter 2019: School Christmas Musicals

Winter 2020: Catholic Schools Week, Open House, Fr. Chris receives the Cure's Award for his dedication to the school, Science Fair.

During Vocations Awareness Week, seminarian Brody Witt organized a basketball game against the school 8th graders and the Minor Prophets, a basketball team of seminarian interns.

Spring 2020: School Dances and Muse Machine, 8th grade graduation.

Vocations

During Vocations Awareness Week, the School, Youth Ministry and RE combined forces for a **Vocations Panel**, which included priests, nuns, seminarians and married couples. The 4th and 5th grades in the school also had a visit from Fr. Steve Dos Santos from the Missionaries of the Precious Blood. Through these conversations, the students were exposed to various ways in which they can serve God by living their vocations.

PTO PTO's revenue for the fiscal year was **\$17,276.83**. We were unable to do major spring fundraiser due to the pandemic that would have incorporated the Walkathon, Knollwood gift cards, and miscellaneous events. The revenue that was made is broken down as follows: Christmas Tree Sales (profit of \$8,088), Pie Sale (\$3,915), Kroger Rewards (\$2,001), Spirit Days (\$1,788), Amazon (\$216), Hoedown (\$593), Penguin Patch (\$146), Box Tops (\$36, and Chipotle fundraiser (\$491).

Religious Education

The Religious Education department offers faith formation on Sunday mornings for ages 3 years - 8th grade; preparation for the Sacraments of First Communion, First Reconciliation, and Confirmation; Mass server training; and Totus Tuus Vacation Bible School.

Over the past fiscal year, over **250 students attended Sunday morning religious education classes** and **98 students prepared for Sacraments**. Some of the highlights of the year include:

- our annual tradition of **Feeding 1000**, where candidates and sponsors prepared 100 casseroles for St. Vincent DePaul

- a new tradition of an **All Saints' day parade** during Sunday morning classes and
- the kick-off of **Childrens' Liturgy of the Word** during Lent.

Embracing the challenges and opportunities offered by the pandemic, we offered **virtual Children's Liturgy of the Word** and **virtual religious education sessions** with special guests seminarian Brody Witt and Fr. Chris. These adaptations have opened the doors to the **online religious education** and **family catechesis** options that we are able to offer for 2020-2021.

Thank you for all the prayers and support over the past year!

Athletic Association

The Fish Fry is the primary method for funding the Athletics program for parishioners and students. St Albert offers six different sports for kids age Pre-K through 8th grade. These funds help us offer sports at a low cost to our families, to keep facilities and equipment updated, and to help fund other Parish projects. With over 200 volunteers and sponsors in 2020, we were able to host the event in February prior to the impact of the pandemic to help raise **\$22,000** after expenses with 10% of that money going directly back to the Parish, \$10,000 used to fund Sports programs, and the rest going into reserves for future needs or Parish projects.

WE LEARN

Adult Faith Formation

Throughout this fiscal year, the adult faith formation has been strong. Many book studies and bible studies were conducted, including small faith groups that started at the beginning of Lent. Women's Book Study group completed several books. Highlights were a book about Compassion & Contemplation, *The Joy of the Gospel*, and *The book of Joy*. Some highlights of Wednesday Evening Bible Study are a study on the book of Job and a 6 week study called *The Way part 1*. During Lent, small groups were formed, studying *The Joy of the Gospel*, which was giving out at Christmas time. However, the study was cut short due to the covid19 pandemic.

Social Justice in Action

The Social Justice in Action welcomed a panel discussion called The 2 Feet of Love in Action. This was on social justice and charitable works, and included guests from the Dayton Co-op and Gem City Market.

RCIA

This has been an exceptional year for all, including those coming into the Church. We welcomed two baptized Christians into the Church in August 2029 and in January 2020. After what seemed like the longest Lent ever our elect was baptized and two already baptized candidates were fully initiated into the Church on July 5, 2020. A rising 9th grader joined them in celebrating the Sacrament of Confirmation; liturgically correct/covid-style.

SAYM Youth Ministry

We have had an amazing year in Youth Ministry. We offered meetings every week for junior high and high school students to gather, pray, and celebrate their identity as disciples of Christ. We also increased our extracurricular activities, hosting extra events such as bonfires, lock ins, and adoration nights for teens to gather for prayer, service, or community building.

Our Adult Volunteer team grew from 3 to 7 members, allowing us to increase and diversify our opportunities to meet. Before the pandemic moved us to an online format, we were averaging 10-15 high school teens and 20-25 junior high teens at each meeting! We are a community that meets often and regularly, accepts teens from all walks of life, and provides mentorship from a strong team of faithful adult volunteers. SAYM gives thanks for our many volunteers who have supported us this year, especially those who have gifted us with their time, energy, meals, and monetary support. Our success depends on the good hearts of St. Albert. We are blessed and we give thanks!"

WE SHARE

Garden Guild

We are dedicated to growing food locally using organic methods, in an effort to feed our families, parish and the local hungry. Since 2010, the guild has raised and donated \$26079.00. **This past year the Guild made a donation of \$3000.00 to the St Albert's St Vincent committee to assist those in need in our parish community.** These donations are made possible from our Farmer's Market sales and the generous donation of time and monies from guild members and supportive parishioners. The Guild continues its efforts in working with many other parish groups and our school throughout the year. We participated in the Artisan Fest, held our annual Seed Give Away and started the Adopt A Flowerbed program to help keep our parish grounds looking their best. We continue to help our youths with their service hours and the Eagle Scouts with projects.

St. Vincent de Paul St. Albert the Great Conference

The members of the St. Albert the Great St. Vincent de Paul Conference are often called to participate personally and directly in helping the needy by person-to-person contact and by the gift of one's heart and friendship. The COVID-19 virus implications have forced us to come up with innovative ways to reach our neighbors in need.

In the last fiscal year, we have provided food (\$4,227), utilities (\$8,800), rent (\$14,600) furniture/appliances (\$1,081) totally \$28,758 in relief to our needy neighbors.

The generous donations from parish members and the parish collection has greatly supported our efforts. In addition, we are working closely with the Miami Valley Community Action Partnership to leverage federal financial support in addressing the large bills neighbors have accumulated. This combined with moratoriums on eviction and utility shut-offs has greatly assisted the many neighbors that are now unemployed and without income.

Spirits & Socials

New this fiscal year, our Event Coordinator developed Spirits & Socials, community building events. In October 2019, an estimated 60 parishioners purchased tickets to our first **Bourbon Tasting**. They sampled from 11 different bourbons, listened to live music, ate some delicious food, and met some new friends. A big thank you to Rick Vogel for the StAG customized bourbon glasses for all who bought a ticket to this event and to all who sponsored & donated the bottles!

In November 2019, St. Albert Parishioners shopped and supported local vendors at our **Artisan Fest** held in the Parish Center. Our very own Garden Guild sold their delicious pesto among many other treats! Other vendors included: Terry Bevis, Kathy Zamonski, Laura Carter, Colleen Chambers, Terri Hamlin, Merty Beyer (and her granddaughters), Wendy Nikolai, St. Albert Youth Ministry, Kim Contreras, Marcie Campion, Sally Northcutt, Jennifer Swafford, Lori Wintrow, Patricia Schlangen, Elaine Schweller-Snyder, Pauline Dill, & Knights of Columbus. This year's Artisan Fest will be November 21st & 22nd.

Senior's Day Out

We had another successful fiscal year with our Seniors Day Out program. It did get cut short due to the pandemic. However, in the beginning months, we had good turn outs and wonderful entertainment. The highlights were The Ragedy Edge Duo, The King's English Trio, Kettering Show Choir, and the school children's choir.

Knights of Columbus

Highlights of the last fiscal year from Knights of Columbus:

- In August of 2019, we welcomed all members and their family for a Second Sunday of the month Social.
- In January of 2020, the Knights held the 8th annual essay contest for the school. The theme was about Vocations.
- In February of 2020, the Knights held the first Candidate Forum. Contested seats in the upcoming primary election gathered to answer questions and give talks.
- In March of 2020, the Knights donated Bibles for all the First Communicants.

Communion to the Homebound

Before the coronavirus, St. Albert the Great parishioners visited and took Communion to **6 area retirement/nursing homes every week**. We prayed with all the Catholic residents and held Communion services each week. For those unable to attend, we visited and prayed with them in their rooms and gave them Communion. We also have many dedicated volunteers that visited and took Communion to the homebound each week. Due to Covid-19, all nursing homes have been closed to the general public to protect the elderly. We can't make our weekly visits, however we have kept the homebound in our prayers, sent cards, made phone calls, etc. We have also run errands for them and offered assistance to them. Let us pray that a safe cure to the coronavirus will be found soon so we can once again visit the shut-ins of our parish face to face. We do miss you!

Meals for the Homeless

Over the last fiscal year, approximately **600 casseroles and approximately 220 industrial sized cans of fruit or vegetables & 650 dozen cookies** were provided to St. Vincent de Paul Homeless Shelter.

Monthly Food Collection

Over the last fiscal year, **over \$23,000 worth** of the following items were provided to Catholic Social Services of Miami Valley:

non perishable food items: canned meats, canned fruits/vegetables, pasta, beans, peanut butter, mac&cheese, crackers
infant needs: diapers, formula, cereal
personal hygiene: deodorant, toothpaste, tooth brushes, soap, shampoo.

80th Anniversary Gala

On February 14, 2020 our Parish Celebrated its 80th anniversary by attending a Gala at the Presidential Banquet Center. Guests enjoyed a delicious dinner, were treated to an open bar, and danced the night away to music... all while meeting some new parishioners and catching up with the familiar ones.

80TH ANNIVERSARY GALA

To celebrate 80 years as a parish, we held a Gala at the Presidential Banquet Hall.

Dinner, music, drinks, photo booth, and more! It was a great time for all who attended.

A special thank you to **Lauren Schierloh**, St. Albert's Event Coordinator, for all your hard work and planning to make this event special.

ABOUT ALBERTUS MAGNUS

St. Albert, our Patron Saint, was born in Germany in 1193. The Feast Day is November 15, and he is the Patron Saint of Natural Science. He has been called the "Doctor of the Church" and "Teacher" because he was the teacher of St. Thomas Aquinas. He is the only scholar of his time to be called THE GREAT!
