

Catch the Building Spirit Spring Build Announcement: 2021

Catch the Building Spirit has just completed our Blitz Week where we have just put this summer's house under roof in this more normal build year. Because our partner family is new and different each year and many volunteers are new faces thus we enjoy the changes that each build season brings. It is always exciting to see the house evolve with everyone's help.

This year we are back in West Carrollton at 233 W. Pease Ave. Now we will take the summer to complete the home for a September dedication. Check our website for volunteer work hours including Thursday evenings. www.CatchtheBuildingSpirit.org

Our partner family this year is Saadia Koko and her two daughters, Aya and Karen. They currently live in the West Carrollton school district, so the girls are already acclimated. This is a hand-up not a hand-out for our partner family. They have completed their pre-requisite volunteer hours and training classes and are anxious to start working on their home. Please consider donating your time and funds. Thank you for your continued support.
