

## St. Albert Parish Monthly Food Collection – Summer 2021

***This summer to respond to the needs of the pantry and the people they serve, please see the modified schedule for May, June, July, August, and September 2021.***

This is the 32nd year of the MONTHLY FOOD COLLECTION for the CATHOLIC SOCIAL SERVICES “CHOICE FOOD PANTRY” in our parish.

In the past we have collected requested items on the SECOND SUNDAY OF EACH MONTH before and after the vigil (Saturday) and Sunday Masses. This will continue for those donating requested items. Collection barrels will be at the main entrances to the church and chapel.

If you want to support this collection in a different way, you can donate through the Catholic Social Services icon on the parish website, through the Catholic Social Services of the Miami Valley website, or drop an envelope with cash or check made out to Catholic Social Services Food Pantry in the parish donation boxes and it will be forwarded to them.

Thank you to all who have donated generously over the years. Your sharing has helped many including the working poor, families, and our elderly poor. You have made a difference. God bless you!
