ON THE JOURNEY

Discernment... A Process of Prayerful Thought

There are many things that we are asked to “discern” in our lives. Discernment is a process that basically wants us to give prayerful thought to a decision or commitment that we may make to give of our time, talent and/or treasure to serve God, the Church or others. It is determining how one might best use one's gifts to share. An openness to change, an open mind and an open heart are parts of true prayerful discernment. We recognize that things cannot always be as they used to be or how we may want them to be, but we are guided by the Holy Spirit and our leaders.

Obviously, I have spent a lot of time in discernment as I feel called to minister in a new location. I am thankful to so many of you sharing your positive affirmation of my work here and prayers for a fruitful next assignment. Please offer your positive support to our new pastor when he is named later this spring and arrives this summer. Each of us is called to prayerfully ask our Lord for guidance as we continue in His service and service to His people.

A second thing to prayerfully give thought to is the annual CMA Catholic Ministries Appeal. This fund, once known as the Archbishop's Fund Drive, supports several great ministries in the Archdiocese. Please be as generous as your means allow. Thank you for your past generosity.

During this period of Lent, and as we end the cold of winter and look to the comforts of spring, we thank God for the many blessings He has given us. We use the season of Lent to determine how we might change our lives and serve Him faithfully. We look forward to the high celebration of Easter.

Let's continue our journey with God and one another.

Peace,

Father Ed
